The University recognises the benefits of the Extended Project Qualification (EPQ) and the opportunities it provides for applicants to develop independent study and research skills. We strongly encourage prospective students to provide information about the EPQ in their personal statement and, if invited, at interview. In some cases, admissions tutors may wish to make an alternative offer to applicants, one of which involves successful completion of the EPQ (eg AAA at A-level or AAB plus the Extended Project at Grade A).
